**ARENA GRAND MASTER/
CHESS COACH**

ABOUT ME

Hello! I'm Jimzon Trangia, a seasoned Chess Coach with a unique journey as both a player and mentor. With a peak FIDE rating of 2172 and the title of Arena Grand Master (AGM), I've achieved victories in numerous tournaments and successfully competed against seasoned title masters, including Grandmasters. On online platforms like Chess.com and Lichess, my rating has reached a peak of around 2500.

As a player, I've honed my skills and deepened my understanding of chess intricacies, forming the foundation for my coaching philosophy. Dedicated to excellence in chess, I take pride in guiding students to success, witnessing significant achievements in their pursuits.

In the past year, while actively participating in two tournaments in Thailand as both a player and coach, I secured second place in both instances. Notably, I triumphed over the number one player in Thailand, showcasing my competitive prowess on the international stage. Additionally, in my coaching role, I assisted an administrator at Thailand's largest chess academy. This dual experience enhances my comprehensive understanding of the chess world, making me adept at providing well-rounded guidance to my students.
